Dear Music and Art Lovers,

As November unfolds, we are swept into a whirlwind of creativity with Miami Art Week just around the corner. Our fair city is poised to transform into an enchanting realm of live music and immersive arts, and we hope to meet you amidst the magic!

Concert: *A Pan American Dimension*

Join Alberto, Kuyayky, and Gretell Barreiro as they unveil *A Pan-American Dimension*, a musical journey that breathes fresh life into the rhythms of Latin America with Alberto's evocative arrangements.

Each performance promises an escape, taking you deep into the heart of Latin song and spirit.

Masterclass Recap

Congratulations to our record-breaking number of students who attended this semester's Masterclass at the Frost School of Music with Prof. Rafael Padron! Their perseverance and artistry are our pride, as they continually redefine excellence with every note and flourish.

About our Programs

Studio Notes:

Our producer Gigi is pleased to be spending November cooking up Miami Art Week surprises in her imaginary kitchen at the Historic Dorn Building.

Don't forget to join us as Alberto plays a Classical Guitar night at the Frost School of Music in collaboration with guitarists Rafael Padron, Ricardo Gonzalez, and Millet Padron. Feb 15, 2025.
